Narz Alamar

Full Stack Developer & Team Lead

PROFESSIONAL SUMMARY

Full Stack Developer with a Bachelor of Science in Computer Science and 10+ years of experience building web applications, internal tools, and AI-powered solutions. Proven track record leading engineering teams and delivering scalable products across BPO, tech, and SaaS industries. Experienced in CRM platforms including WordPress, GoHighLevel, and ZOHO. Currently freelancing and open to full-time opportunities.

WORK EXPERIENCE

Software Engineer & Team Lead — 2019 – 2025

XtendOps Philippines Inc.

Led a team of developers building internal tools and portals — timekeeping systems, talent acquisition platforms, APIs, and monorepo architecture using AdonisJS, React, SvelteKit, and TypeScript. Developed AI agents and AI-powered tools for clients, automating workflows and enhancing operational efficiency.

Zoho CRM Implementation · Project Based — Feb 2026

NE Solutions

Implemented and configured Zoho CRM tailored to the client's business workflows, including automation, pipelines, and integrations.

Software Engineer · Project Based — Feb 2026

Real Virtual Elite · Tee Time Golf Tours

Developed and deployed the Tee Time Golf Tours website with full domain management, server configuration, and WordPress implementation.

Reporting Analyst — 2018 – 2019

Proof Inc.

Handled payroll processing, campaign reports, and analytics — delivering accurate data and insights to support operational and business decisions.

QA Specialist — 2016 – 2018

Voiceless Technologies

Conducted quality assurance evaluations, identifying issues and coaching agents to ensure quality standards were consistently met.

Transfer Validation Specialist — 2015 – 2016

Avatar Technologies

Validated customer transfers to ensure legitimacy and compliance with required standards before processing.

Customer Service Representative

2014 – 2015

Transcom Philippines · BestBuy Account

Provided customer support for BestBuy clients, handling inquiries, troubleshooting, and order management.
